

*The Architectural Review Committee does not specifically endorse any of these professionals nor vouch for their work but have found their work generally acceptable to us and the homeowners involved.*

*A homeowner should follow normal prudent processes before dealing with them or any other architect, builder or contractor.*

*We suggest that you get at least three quotes and three references from each contractor. This will ensure the best price and should protect your interests.*

***You should make sure that these contractors are licensed and insured.***
