

Minutes of July 8, 2017 Triton Sound meeting

Call to order 9:30am by George List

Reviewed 2016 meeting

Financial report—village in good shape. Yearly expense @ 47% , no out of the ordinary items and our village reserves are 63.6 K

Chair gave overview of New Seabury, Section V and new things happening in New Seabury.

Old business of speed bumps, roads, drains, gas lights were discussed. Speed bumps were seen as a good thing to slow cars and trucks but a bit of an issue to drive over. Will look at “low profile type”.

Items discussed—New signage in New Seabury at some intersections, Triton Sound committee vacancy since Art has moved and the repair of the Shore Drive West walking path.

Owners talked about set up of Village and New Seabury . possibility of beach access.
